## Classes:

Junior Riders (aged 14yrs and under)

Senior Riders (aged 15yrs and over)

- Riders ages as of 1 January 2019.
- All riders must be currently enrolled in primary or secondary education (home-schooled students welcome)
- All riders are restricted to riding in either the Junior or the Senior classes. Junior riders may ride up in senior classes but seniors may NOT ride in junior classes.
- Teams consist of four riders from the same age group. Each rider rides two tests, best six scores to count towards Team Competition. Schools are welcome to enter more than one team. Horses and ponies may compete only in two tests.
- Riders may compete on more than one mount, subject to numbers and at the discretion of the show committee. The second mount will be entered as an individual.
- Riders may compete as part of a team of four (riding in two dressage tests each, with the best six scores to count in final team placings), or if unable to form a team we welcome individual riders. Separate ribbons and prizes for individual riders are on offer.
- Individual riders wanting to ride in a team are welcome to organise and enter as a composite team, but details must be submitted with your entry.
- The Teams Presentation award is judged separately. Teams will present as one to the judge at the scheduled time. There is no entry fee for the Teams Presentation award, but we ask that teams indicate if they are entering.
- In the interests of finishing in daylight, numbers will be capped. Entries will be accepted on a first come, first served basis.
- Organisers reserve the right to split classes into divisions within each age group, in the interest of allowing plenty of travel time at the end of the day. If divisions are split, this will be a random process.
- Dressage tests may be called. NZPCA rules regarding equipment, bits, use of whips or spurs apply.
- Junior riders can opt out of canter movements but must advise the judge prior to entering the arena.
- Lead rein riders are welcomed, but judges must be advised prior to entering the arena. Handlers must not interfere with the pony's way of going.
