Engaging Learners Through Drama – *Whakamana, Mana Reo*

FOR TEACHERS,
BY TEACHERS

This course, for NE–Year 8 and ECE teachers, will explore creative ways to engage children in a rich variety of language learning using drama.

Drama draws on children's experience, their culture, their whanau, and their love of exploration and play. It is a text rich learning area that brings together multiple literacies and modern learning practices. Research shows drama boosts literacy including writing.

At this course there will be opportunities to learn about:

- developing strategies to improve children's listening, speaking, and social learning;
- using drama processes to support literacy learning;
- fostering whakamana and capability to learn;
