Out of Zone Enrolments

Each year the Board will determine the number of places which are likely to be available in the following year for the enrolment of students who live outside the home zone. The Board will publish this information by notice(s) in the Upper Hutt Leader. The notice will indicate how applications are to be made and will specify the dates by which all applications must be received. Out of zone enrolments will be balloted by year group. Applications for enrolment will be processed in the following priority order.

First Priority This priority category is not applicable at this school as the school does not run a special programme approved by the Secretary.

Second Priority will be given to applicants who are siblings of current students.

Third Priority will be given to applicants who are siblings of former students.

Fourth priority will be given to applicants who are children of board employees.

Fifth priority will be given to all other applicants.

If there are more applicants in the second, third, fourth, or fifth priority groups than there are places available, selection within the priority group will be by a ballot conducted in accordance with instructions issued by the Secretary under Section 11G(1) of the Education Act 1989. Parents will be informed of the dates of any ballot by notice in the Upper Hutt Leader.
