On Saturday 7 December we're celebrating the opening of our region's newest fire station with a public open day at Remutaka Fire Station. This new station brings together more than 70 paid and volunteer personnel from the Remutaka career crew, Upper Hutt Rural Fire Brigade and Hutt-Wairarapa Operational Support Unit. It will ensure Fire and Emergency NZ is well placed to help keep this community safe now and into the future.

We have an exciting afternoon of activities for all ages planned, including guided tours of the new station, interactive displays, competitions, giveaways and dress-ups, plus information and advice from local firefighters on how people can stay safe.

**When:** Saturday 7 December, 12.30-3.00pm **Where:** Remutaka Fire Station, 35 Park Street, Upper Hutt

### Our Vision

To help young women find confidence within and to teach them tools and strategies to help them to be their BeYOUtiful self-inside and out.

### Our Mission

We support and encourage young women to be their authentic self.  
To inspire and gain self-confidence, self-worth and self-care through self-love.  
To Be YOU and love you.

**BeYOUtiful** is an interactive experience. Each workshop Jacqui O'Connor and Dee Petit opens the circle with gratitude and mindfulness exercises followed by a short yoga session by a yoga instructor. We do a creative art project and generate discussions with regards to issues that are important to the young women and emphasize the importance of embracing self-worth, self-care and self-love for themselves while learning to set boundaries and be the best versions of themselves. We empower BeYOUtiful young women to expand, explore and experience peace, mindfulness, patience, awareness, intuition, creativity and their authentic self.
