Principal's Message

Kia ora koutou,

Silverstream and Upper Hutt History

We have the pleasure of hosting Lynly Yates, who is a local historian, here at Silverstream School next Tuesday (13th June) for an optional staff information session on the history of Silverstream and Upper Hutt. We are working with Lynley as part of the work on the NZ Histories curriculum and also linking it to the school centenary in 2024. Lynly has produced a fabulous book called *"Upper Hutt Streets, the stories behind their names"*. It is available from Whirinaki and also from Golders Cottage.

If you would like to come along and hear Lynly speak on Tuesday you are very welcome to join us from 3.25pm–4.15pm in the school staffroom. Unfortunately, we can't have children along, as there is very limited space. Please RSVP lorraine.taylor@silverstream.school.nz if you want us to save you or a family member a seat.

Silverstream School Centenary – Help Needed

In 2024 Silverstream School is 100 years old. It is a very exciting milestone and one we want to celebrate well. We have set up a webpage on the main school site, <https://www.silverstream.school.nz/2024-centenary.html> and we are beginning to collect photos, stories and memorabilia about the school so that we can produce a commemorative book for our 100th anniversary.

If you have anything you could bring into school, or can scan and send through by email, we would very much appreciate any contributions to the Silverstream School Centenary Book.

We are also looking for help with our original dux board, it is in need of a large amount of restoration from a furniture or skilled wood restorer. If anyone knows of a person who might have the skills to repair and repaint the boards we would be very, very appreciative.

Quiz Night – Saturday 10th June at the Cossie Club, Upper Hutt

We have our first school fundraising quiz night back, after a number of years! There are limited numbers of tickets and it is lining up to be a great night. All money raised will go towards creating our ANZAC outdoor area and to buy trapping gear for our Enviro pest eradication programme. We have AMAZING prizes and raffle items on the night too. See the poster in this newsletter.

Tickets are available to purchase from Kindo, the school office or outside the school hall at 2.50pm (EFTPOS available), \$20 per ticket.

Upper Hutt Cluster of School Whanau and Family Survey

As a group of schools in the Upper Hutt area we work very closely with our neighbouring schools to ensure there is a high quality of education provision across the region.

As part of our cluster data gathering, we ask whanau every 2 years to complete a survey on how well we communicate with you and what you think of how things are going for your child/ren currently.

We would love to grab 5 minutes of your time to complete the survey for Silverstream School, this data goes to both us and as part of a wider set of data for the Upper Hutt school cluster. We will use the data to review what we are doing and see where we can make adjustments and improvements. Many thanks.

Here is the link for the School Whanau survey

Celebrations

If your child has been involved in anything outside of school you are super proud of, a sports achievement or event, a hobby they have mastered, a dance, drama, speech, church group, community event please do let me know so that we can celebrate in the newsletter each week. Send a photo along too if you have one to lorraine.taylor@silverstream.school.nz

As always, have a great week

Ngā mihi
